

AMERICAN LEGION BOYS STATE

DEPARTMENT OF MISSISSIPPI

COVID-19 UPDATE

April 1, 2020

The Department of Mississippi American Legion, Boys State Directors, and Senior Staff have been closely monitoring the situation regarding the COVID-19 Pandemic. Unfortunately, due to the rapid spread of COVID-19 throughout the U.S. as well as our own Mississippi, we feel it would be irresponsible and counterproductive to public health to hold Mississippi Boys State this year. It is with great counsel and caution that we have come to this decision.

We will begin a refund process for those who have completed registration and payment. Please remain patient during this time. Once this process is in place, you will be notified by email.

Many of you will have questions, and we will do our best to answer them promptly. Direct all questions to our email found below. Please do remain patient with our staff as they take the time to respond to your inquiries.

In the meantime, let us all practice the guidelines set forth by the CDC as well as any directives from our state and local officials.

We wish good health to you all.

All updates will be made through the following means of communication:
